### **STEP 4: (OPTIONAL)** Tap the button labeled

"Auto Reload".

This will enable your account to automatically replenish a chosen amount of funds every time your balance drops below a set limit.

Use the drop-down menus to set the desired "Load Amount" as well as the balance limit.

Then tap **"Set Auto Reload"** to finalize the change.

To disable **"Auto Reload"**, return to the **"Load Funds"** page and tap the button. The switch will be gray if auto reload is off.

### STEP 5:

Select the items you wish to purchase & scan them at the kiosk. Once all items are scanned, scan the barcode in your app to complete payment.
