

SIGN UP FOR THE CHOWIT REWARDS MOBILE APP!

STEP 1:

Download the CHOWIT smartphone app by scanning the appropriate QR code below.

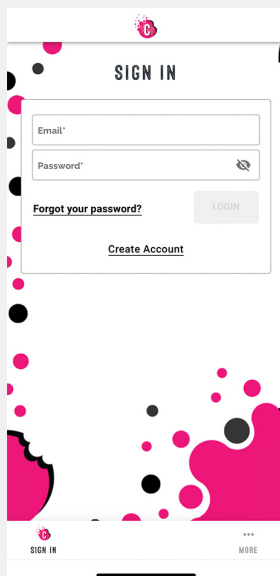

ANDROID

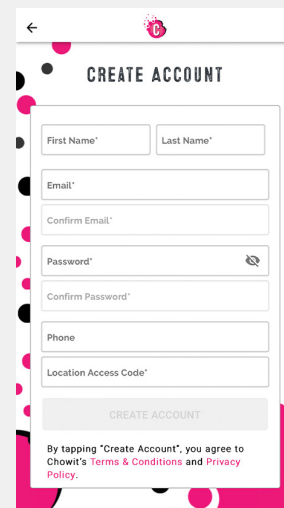

STEP 2:

Once downloaded, open the app & select the option "Create Account".

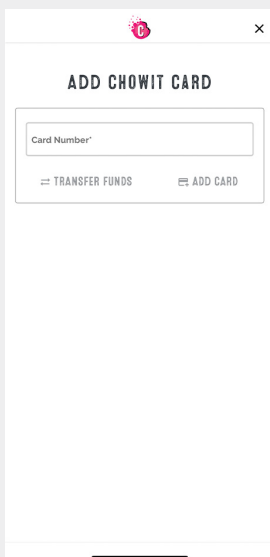

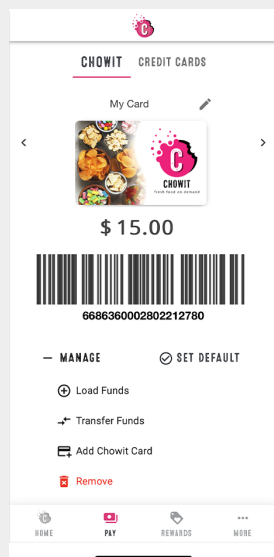

STEP 3:

Select the desired amount of funds you wish to load to the card, then tap "Add Funds" to complete the transfer.

The location access code can be found on the kiosk screen.

HOW TO CONNECT A PHYSICAL CHOWIT CARD TO YOUR MOBILE ACCOUNT:

STEP 1:

Migrate to the "Pay" tab in your menu bar.

STEP 2:

Locate & tap the "Manage" button.

STEP 3:

Several options will appear in a drop-down menu. Select "Add CHOWIT Card".

STEP 4:

Enter the 19-digit # on the back of your physical card.

STEP 5:

Once entered, tap "Add Card".

If you want to make the physical card your default, you will now see an option you can select called "Set Default". If you want to combine all of your funds, use the "Transfer Funds" option under the "Manage" drop-down menu. Accounts with 2 or more cards have the option to remove any unwanted cards by tapping "Manage" then "Remove".
