

# NEED TO ADD AN ADDITIONAL ACCESS CODE?

## STEP 1:

Open the CHOWIT App.

Migrate to the “...More” tab in your menu bar.

Locate and tap the “Locations” option in your menu.

## STEP 2:

In the box that says “Access Code”, enter the additional access code you wish to connect to your app.

Once entered, click “Add Location” to complete.

Repeat for all additional access codes needed.
