

# TRANSITION FROM FRESH REWARDS TO CHOWIT

## **STEP 1:**

Download the CHOWIT smartphone app by scanning the appropriate QR code below.

### \*\*\*IMPORTANT\*\*\*

Before signing up with CHOWIT, ensure the auto reload feature in your Fresh Rewards app is turned off. Only the account owner can make this change.

# **STEP 3:**

Fill in the required info.

The location access code can be found on the kiosk screen.

#### \*\*\*IMPORTANT\*\*\*

You must use the same email connected to your Fresh Rewards account. This will allow easy transfer of your card #, balance, and rewards.

The option to change your email address is available once the transition/sign up process is complete.

Once downloaded, open the app and select the option "Create Account".

## **STEP 4:**

ensure all data transferred correctly.

Once you confirm your card #, balance, and reward info transferred correctly, you may begin using your CHOWIT account.

All physical Fresh Rewards cards will still be accepted at our kiosks.

If your card number, balance, and/or rewards info do not transfer correctly, or you sign up using a different email than what is linked to your Fresh Rewards account, please reach out to Customer Care which you can find under the More option in Chowit.
